

Myriad Touch 4K

Myriad Touch are always working hard to revolutionise schools, colleges and universities, the stunning new 4K Myriad Touch Touchscreen range is no exception.

4K technology provides the highest quality images available and provides users with ultra-high-definition quality, future-proofing any classroom or lecture theatre.

The Myriad Touch 4K range has been designed with an eye to the future in mind and offers front-facing speakers, 10-point touch and ease of use with the simple front-facing and side-facing buttons and connection ports which allow for devices to be connected via a range of different input choices.

With the crisp presentation display, it comes complete with an Android operating system and the ability to download apps via the Genee App Store. A Myriad Touch 4K Touchscreen is a powerful presentation tool with the ability to make lessons come to life. It will be a revolutionary addition to any school, college environment, enabling student and staff interaction and collaborative learning.

Available in 3 sizes 65", 75" and 86".

Key Features & Benefits

Spark II Software

The ultimate classroom presentation software, uniquely designed for 4K screens and is free with our Myriad screens.

Project Flow Software

Encourages student collaboration and enables teachers to automatically differentiate lessons. One year's licence included.

Front Facing Speakers

The speakers are front facing to maximise the output of sound projected.

Connection & Bezels

Easily accessible connection ports and 4 section bezels to enable in situ repairs without having to return to base.

Built-In Android/ Optional Upgradeable Built-In PC

Utilising the Built-In Android and Wi-Fi provides the user with a comprehensive array of built in Apps with further App downloads available from Genee App Store.

Multi-Touch

With multi-touch technology several students are able to work and collaborate on the screen at once.

Image Clarity

Provides the highest quality images and gives users ultra-high definition resolution, future-proofing any classroom.
